At the November meeting, the directors approved the annual report showing how the Community Benefit Fund was spent. The report highlighted the many projects supported during the year. These included grants to Barrhill Angling Club, Barrhill Events Group, Barrhill Development Trust, and Barrhill Primary Parent Council, as well as support for individuals through the bursary scheme.

Directors also considered grant management queries and ongoing financial monitoring of the Community Interest Company.

On Barrhill Greener Homes, directors noted the high level of interest in the scheme following the well-attended drop in at the hall on Saturday the 15th November 2025. You can read more about Barrhill Greener Homes on the BCIC website: <https://www.bcic.org.uk/barrhill-greener-homes>

The directors wish to thank all members of the community who attended the winter fuel event on Saturday for coming to the event and for their patience while applications were processed. Residents of Barrhill can contact Foundation Scotland with any queries about winter fuel:
