

## Public Statement of Meeting

The Board of Barrhill Community Interest Company held a meeting on 26<sup>th</sup> July 2011.

The following were discussed and actions agreed:

1. Barrhill Memorial Hall Association have indicated that they require £225,000 towards the hall renovations. The Board of the Barrhill Community Interest Company have agreed to this and have ring fenced £150,000 of funds with immediate effect and a further £75,000 from the 2012 Mark Hill funds which should be available in June 2012.
2. The Car Park Project (adjacent to the hall) is underway with plans being drawn up and funding applications started. Once plans have been drawn up, there will be a community open morning with an opportunity to view the proposed plans. It is anticipated that the car park will be started as soon as planning permission has been granted.
3. In an effort to tidy up the village area, work will shortly start on strimming and cutting back on local paths and seating areas. This work will be paid for by the Barrhill CIC and over and above what the council contractors do. The school has already done a brilliant job with the flower planters which makes the village much more attractive.
4. Bus Trips will be organised later in the year for people to visit various destinations (to be arranged). This is thanks to local funding and 5 volunteer drivers who will be taking their volunteer driver training soon. More information to follow.
